

Important Notice from TeamHealth About Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with TeamHealth and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

- 1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.**

- 2. TeamHealth has determined that the prescription drug coverage offered by all medical plans EXCEPT the High Deductible Plan is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is considered Creditable Coverage.**

Because your existing coverage is, on average, at least as good as standard Medicare prescription drug coverage, you can keep this coverage and not pay a higher premium if you later decide to join a Medicare drug plan.

You can join a Medicare drug plan when you first become eligible for Medicare and each year from November 15th through December 31st. This may mean that you may have to wait to join a Medicare drug plan and that you may pay a higher premium if you join later. You may pay that higher premium as long as you have Medicare prescription drug coverage. However, if you lose creditable prescription drug coverage, through no fault of your own, you will be eligible for a sixty (60) day Special Enrollment Period (SEP) because you lost creditable coverage to join a Part D plan. *In addition, if you lose or decide to leave TeamHealth sponsored coverage; you will be eligible to join a Part D plan at that time using an Employer Group Special Enrollment Period.* You should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area.

If you decide to join a Medicare drug plan, your TeamHealth coverage will not be affected. See below for more information about what happens to your current coverage if you join a Medicare drug plan.

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0938-0990. The time required to complete this information collection is estimated to average 8 hours per response initially, including the time to review instructions, search existing data resources, gather the data needed, and complete and review the information collection. If you have comments concerning the accuracy of the time estimate(s) or suggestions for improving this form, please write to: CMS, 7500 Security Boulevard, Attn: PRA Reports Clearance Officer, Mail Stop C4-26-05, Baltimore, Maryland 21244-1850.

CMS recommends that the entity providing this disclosure notice insert here an explanation of the prescription drug coverage plan provisions/options under the entity's plan that Medicare eligible individuals have available to them when they become eligible for Medicare Part D. See pages 7- 9 of the Disclosure of Creditable Coverage To Medicare Part D Eligible Individuals Guidance, which explains the prescription drug plan provisions/options under the entity's plan that Medicare eligible individuals have available to them when they become eligible for Medicare Part D (e.g., they can keep this coverage if they elect Part D and this plan will coordinate with Part D coverage; for those individuals who elect Part D coverage, coverage under the entity's plan will end for the individual and all covered dependents, etc.).

If you do decide to join a Medicare drug plan and drop your TeamHealth prescription drug coverage, be aware that you and your dependents may not be able to get this coverage back.

You should also know that if you drop or lose your coverage with TeamHealth and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium to join a Medicare drug plan later.

If you go 63 continuous days or longer without prescription drug coverage that's at least as good as Medicare's prescription drug coverage, your monthly premium may go up by at least 1% of the base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without coverage, your premium may consistently be at least 19% higher than the base beneficiary premium. You may have to pay this higher premium as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following November to join.
